**RE'BOX**  
THE 1ST RANGE OF UNIVERSAL,  
REUSABLE TABLEWARE

# REUSABLE CONTAINER RANGES

In order to apply to the 3R strategy and to go even further in its responsible approach, the Firplast group has developed a global reusable offer which now includes conception, production and consignment of its new containers.

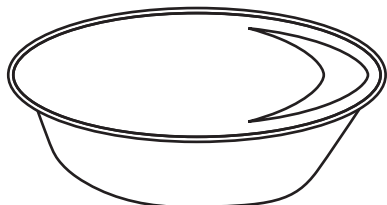

Re'box range was developed to offer the first ever universal reusable range on the market, suitable to all jobs and jobfields. This range is the result of an uninterrupted R&D investment from Firplast, in association with many restaurant owners, manufacturers and authorities.

A range co-developed with and for restaurant owners.

+ MORE THAN 300 USES

- Hermetic
- Sustainable
- Modern
- Practical
- Sturdy
- Recyclable
- Traceable

## ▶ HEAT-SEALABLE, TRACEABLE AND CUSTOMIZABLE CONTAINERS

### ▶ Hermetic

Containers adapted to heat-sealers and their films, ideal for: delivery, transport and protection of preparations.

### ▶ Traceable

Keep control of your container management and loss issues.

**(Ⓞ) RFID, QR CODE, IML**

### ▶ Customizable

Assert your brand by customizing the color of the container, printing your logo or your message on it.

## ▶ REUSE IN CATERING

Firplast has compiled a list of all the players involved in reuse: washers, logisticians, digital consignment solutions, advisors, ...

We can help you set up virtuous reuse loops based on the specifics of your business & put you in touch with the right players or organizations.

**Contact our teams to find out more.**

ISO 9001-14001 certified, Firplast has been committed for several years - through its sustainable development politics - to offering reusable containers to meet restaurant owners and new laws expectations.
